I'll look through the reg nos again and get them to you, probably thursday instead of today though. And I got your voicemail and hit #22...I hope it worked. I'll be out tomorrow, but will check my emails in case anything comes up.

Thanks,
Jen

Jennifer,

Could you provide me the reg nos of any additional entries so that I can make sure that I have the last accepted label.

Could you do me a favor and call my phone back. All you do is 1) pick up the phone and 2) hit "#22".

I will be back in the office Thursday. I am off today and Wednesday.

Hi all,

I went through and added some additional products. I have others on my desk that have not been approved yet and those will be added as they get approved.

Rus,

- This PM I updated the list of rodenticides, making 41 changes to the table (additional products or updating products already there) in the H Drive.
- Where possible, I updated any products that Jennifer or I worked on.
- Jennifer said that she would look over the list Tues.
- I am out of the office on Tue and Wed and back on Thursday.
- I hope that this helps.
